MAIN DISHES

★ MANGO'S CHICKEN

Our family restaurant gained recognition with this masterpiece, which is a Wok-fried chicken tossed in a sweet glazed sauce with a touch of chili flakes.

Little known fact: Did you know our dragon's name is Mango?

BOURBON CHICKEN

Try the ultimate hybrid of Americana and Taiwan with our bourbon glaze and special soy sauce marinade.

SESAME CHICKEN

Sesame Chicken is not a new item brewed only from our kitchens, but our dish offers an added crunch from our woks, which makes it stand out far beyond other Sesame Chicken dishes.

PEPPER CHICKEN

Here's another one of our dishes that is over two decades old! Pepper Chicken is the most mild out of our trio of spicy chicken dishes, but beware... this one still packs a mild dragon kick!

SPICY CHICKEN

Sliced chicken breast, red pepper flakes, onions, carrots and broccoli. Spicy Chicken is for those who want a medium dragon kick in their dish!

FIRE CHICKEN

The newest addition to our regular rotation of dishes, Fire Chicken was created when our customers thought Spicy Chicken didn't have enough of a dragon's kick! Definitely try this one if you prefer a higher level of spiciness.

MAIN DISHES

SWEET AND SOUR CHICKEN

Who hasn't heard of Sweet and Sour Chicken? What sets us apart from the other dishes with the same name? Our sauce is created in-house, fresh, every morning.

TOFU & VEGETABLES

Looking for a vegetarian option? Here it is! Cubed tofu sautéed in soy sauce with garlic, bell pepper and carrots.

★ WOKDRAGON CHICKEN

Mango's signature chicken, grilled instead of wok-fried.

SIDE DISHES

VEGGIE FRIED RICE

Try this classic staple with added peas and carrots.

CHICKEN FRIED RICE

Sometimes plain rice and veggies don't cut it. Try our famous fried rice with chicken instead!

VEGGIE LO MEIN

How about noodles for your base instead of rice? This dish includes scallions, cabbage and carrots.

SHRIMP FRIED RICE

Shrimp is an important part of dining in Taiwanese culture. Tried a different spin with shrimp added to our classic fried rice dish.

RICE

What's more to add? White rice is the ultimate comfort classic of this cuisine.

BROWN RICE

Try the healthier spin on rice-
Brown Rice!

DRAGON BEANS

Green beans and mushrooms sautéed in our wok. We've been refining this dish over the last two decades with our secret blend of culinary spices.

MIXED VEGGIES

Looking for a lighter option? Try our vegetarian dish with broccoli, carrots and cabbage. Lite on the sauce and spices, but rich in flavor and antioxidants.

DRAGON FRIES

Mango loves this dish but is a bit confused between these savory potatoes, seasoned with garnish and onions, versus fries. Sometimes she calls these "dragon fries".

MUNCHIES

Pick some finger foods to put the final touches on your sensational meal. The prices listed are additional to the pricing menu.

CRAB RANGOON (2) \$ 2.75

Can you believe these are actually vegetarian? We can't either!

CHICKEN EGGROLL \$ 2.75

Ever wonder what a dragon snacks on in the middle of the night? How about this crispy treat with chicken and veggies wrapped in dough?

The only issues is that Mango needs about 10 tons of it to make her feel full enough to sleep through the rest of the night!

SHRIMP AND PORK EGG ROLL \$ 3.50

Mango really really likes chicken... hence all the chicken dishes on our menu. Want to try something a bit different from our chicken dishes? How about this crispy eggroll, filled with pork and shrimp, reminiscent of the popular dim sum items.

SPRING ROLL (2) \$ 2.75

Want the vegetarian option of our rolls? How about a rice paper roll filled with cabbage and carrots?

DRAGON DOUGHNUTS (2) \$ 2.75

Sometimes we just want a side that is fried with sugar, instead of a vegetable. Why not? Try our Chinese doughnuts, as a side, or a nice sweet treat to finish up your meal.

CATERING

Catering prices are one standard sized steam tray for the following categories:

- A. Appetizers (charged by standard number of items per tray)
